Yes!!! Indeed - of The Rich and Famous"

"KEEP UP WITH THE KARDASHIANS" SUNDAY 9:PM ON E!

So, too this is the reason for Model Wanzler
's petty beef with Lovely, Young Supermodel Jen-
ner choosing the modeling Business as her
Career.

Apparently, the gist of Model Wanzler's
unfair opposition is Kendall is undeserving,
unqualified, and her ONLY TALENT is being
a "Kardashian".

I want to use - This PEN - to Vigorously

defend Kendall. But still I'd join with Wanzer
at "Occupy Wallstreet"...

Kendall, does not warrant being singled
out and bullied by anyone!!!

Wanzer, hate the game, not the
Fresh Model!!!
