

"A Filthy Prisoner"

Everythings quiet

Perfect for a prayerful request

Like a knock on a door

It asks to be answered

What could I ask a busy King

would he see me As a begger

A filthy Prisoner in blues

or would he call out for the finest -

of All he has in my honor

would there be continuous partys just for me

or would he say down on your knees Begger

well either way at least I'd be in heaven

where I know it would be peaceful -

And I'd be needed.
