read/purchase a book I penned :- (not about the \$) Maybe the words housed in it will change their lives, & or help them to give me as well as others. Maybe it'll allow them the opportunity to be aware of my whole story. Maybe it'll inspire them to love on & be patient with people etc. -  
Meanwhile I'm never apologizing to Priska (daughter) but what I really need to do is, most humbly seek her GIVENESS. Yes as she GIVES ME that will be a momentous breakthrough in both our lives. Amen.

... Sometimes I take the blame cause I'm hard on myself ... (Jeremiah 10:19)

... Sometimes I take the blame cause I struggle with maintaining a positive self-image ... -

That was honest.

... Sometimes I take the blame cause, I'm always trying to fix things. - (thanks Samia 4 that insight circa July 2008)
