of our situation... that people are already dying you could
have saved, that generations more will die or live poor
butchered half lives if you fail to act. Do what must be
done, discover your humanity and your life in revolution. Pass
on the torch. Join us, give up your life for the people... Take

Black Role Model

By Brotha Achim

To model what role in a greedy capitalist dominated white culture? That of the schizophrenic-neurotic Uncle Tom, the good black, the survivor, who goes along to get along?

For there to be a paradigm black role model, there must be a Declaration of Peace with Honor, Justice and Reparation, before the can be a dignified role in Amerikkka for a New Afrikan Role modi

I was captured, snatched from my family and loved ones, unjustly tried under California's infamous draconian Three-Strikes law of being I.) Poor, II.) Black and III. Targeted, charged with a fictitious crime, summarily convicted and mercilessly condemned to the death of prison ALL in the face of the "named victim" Joyce R., pretrial in open court sworn repudiation of the prosecutor's vicious lies of her victimization by me. The drafted victim Joyce R. in moral outrageous in protest of California's iniquitous defacto black code lynch (slave) law refused to participate in this legal lynching, boycotted the kangaroo trial, fleeing the state in fear of retaliation, abandoning me an innocent man in the claws of these lying maddogs.

Riverside County prosecutor an abominable, despicable creature, a typical idiot declared that he didn't need a victim and produced a simpleminded illegal meeikan alien, Sandra Rodriguez under threat of deportation (having to leave her many anchor children) to commit perjury, to change her story and to testify falsely that she, a percipient witness observed me commit a firearm assault upon a black Jane Doe of which in undisputed rebuttal 9-1-1 Sheriff dispatcher Barbara Lang testified that the illegal messikan Rodriguez was (a perjurious liar) because she had initially reported to her that she had no visual and she saw no weapons; as is confirmed by the 9-1-1 tape of which my attorney John Ward, 415 255-4996 has a copy. The atrocities of these 1950 Mississippi style legal-lynchings occurs only in the slave state of California.

My freedom was wrongfully stolen without probable cause, my family (my beautiful black wife and my (5) beautiful black children) gone, lost, destroyed and here I remain, hostage held against my will, under threat of death in this nothing place of the living dead by depraved slavers in an animal cage. Dehumanized, served dog-food and soybean filler, rotting away, life wasted, senselessly murdered by beastial-savages. Human life is to be valued, respected and preserved and we all know slavery is wrong: An insidious, barbaric, heinous crime against all of humanity.
