Sunlightshadows,

Hello Thank you for writing to me. Its a good feeling knowing people can relate to what I am feeling. When my soul's light starts to dim and it gets hard to walk on this path of life, I sit down and write. Words Spoken out loud get lost unless they would or heal that person who hears them.

Some days I get so lost in loneliness that I feel as if Im playing the role of myself but the script is in another language. Its all improve and I dont know if anyone really cares about my performance.

Thanks again for writing and I hope that our pain will one day become a light to shine a little light upon the path we are on.

Sincerely
Roland 2/25/15
