Natasha 1432,

Thank you for reading my strange rambling and gutter style poetry. If I didnt have the opportunity to write about my life and share it with the "free-world" I'd slightly go mad. I live with people for 24 hours a day who would strap on a pair of tap shoes and dance upon my head until the gray goop I call a brain would seep from my smashed face in order to go home early. So in short this blog some what allows me to feel some what human with something to say that matters. what a morbid asshole I am no wonder no one writes me back 😊. Thanks again and I hope you have a great day.

Sincerely
Roland
