"Testimony"

as Evangelist,

Jerome D. Green

Growing up in the Hood or Little Rock Arkansas was tuff. Living in a Single parent home, And being my mom's only boy had something else in its self as well. My mom the late Evangelist, Carolyn Green raised my two younger sisters Cassandra and Sherelle in church.. And by having the gift or music made going to church even the more interesting. As I think back I recall my mom asking me one night coming home from church, "Jerome what do you want to do?" My response was..."Mama wanna sing!" So that's what I did. As I matured so did my voice and my singing style. Other Churched Ministers or myself started to take notice of my talent. Little did I know Peter had a boy set. I was introduced to the life style of Homosexuality. When I attended a Boys workshop at another local church in Little Rock.

If an Kid Older than me who was a
Drummer for another Church
from there at Fall Hard for He lie
And Trick or Satan. I'd discovered
Something new. Looked into thinking this
was what they called "Love" I felt
Hated accepted, apart of Something. So I
Clung to that. The Bible Says That.
"The Thief does not come except to
Steal and to Kill and to destroy. I Have
Come That They may HAVE LIFE more
Abundantly." John 10:10

As I knew Older I was still in Church.
I was very active. But I was only going
Through the motions. in reality I was
on a Steeple Fall to Hell. Satan had my
mind Bamboozled (tricked). I was
on an downward spiral

Years later in 1999 the Summer. I got
Sick of Little Rock, I met this Guy
on the Chat line on live. We Hit it off
I moved to Houston, Tx thinking ...

That day finely found my soul smote
(see how Satan had my soul Stricken?)
I was still active in the church. By then I
was living a double life. By now I had
Pleaded over into my calling as a ~~minister~~
Minister. I had found a really bad
Church I liked. And was an associate
pastor at the church. But was calling me
out of my mess out of my tomb to go into
Pastoring my own church. I was AFRIED
and was not ready to come out of that
tomb out of my mess. So I ran
deeper and deeper. I did have the money
of the church's sources so I destroyed.

It's now 2005. A week later an Evangelist came to preach
at our church. He told me that a storm
was about to come upon me, and that if I
didn't give my self fully to the Lord Satan was
going to take my very life. A week later
I was in jail my ~~ex~~-dad and I got into
a fight and in the end he sent me to prison
with a lie, that I was wrongfully convicted
of and spent 17 months in prison

2006, the Michaelowitz.

God delivered me from that life of Satan
and God started doing a new thing in my
life, is my Heart and in my mind.
The Bible says.

"Therefore if anyone is in Christ, he is a
new creation: Old things have passed away;
behold, all things have become new."

2 Corinthians 5:17

This is what I stand on, I now walk
in the "Newness of Christ" I come up
for People for the First time next year
2016. there is no more running
from God for me. I will be starting
my own Church ONE step out in the City
of Houston, Tx. the name of my
Church will be,

"Fountain of Love Christian Fellowship"
"The Church where the Fountain of love never
runs dry;"

Pg#7.088.

at this time also I trust God and Believing
in His Word. That HE will send me my
True Soulmate, my Helpmate HE
Ordained FOR me From the Pactor of time
"my Prayer"

I pray That God will send me my woman
of God, someone who's not judgemental
and can understand what and where God
Has brought me From. I need for her
to Be Both called and Anointed to stand
as my co-Pastor in ministry and my
partner in life.

This woman of God has to have a love for
God and Gods people like no other.

She has to have been through some storms
of her own because no Test no Testimony
if theres no rain in your life then theres
no broth. So if this else you and you'll
know it if its you so well else...

Bless one who leaves a comment so
