* * * *

What Can Be Said of Kindness
That's given so freely
Especially from a state worker
To an undeserving inmate
I will miss her for sure
She's a little spit fire
Yeah! An on the go person
She said she'll miss this place
And I told her I'll trade her places
If I were her - I'd never look back
And look forward in feeding wild turkeys
While gazing at another beautiful sunrise
