Never underestimate the power of a witch!

Dear Connie,

What a delightful and heart warming surprise to receive your e-mail/letter. Yes, we did share some fun times together providing some fond memories.

I have no idea what date you logged your message, since all messages are mailed without origin date. Messages are supposed to be mailed within 3-days from logging, however that's in a perfect world, and this world is far from perfect. The most expedient way to communicate with me is through direct mail to:

Robert Outman P-79939
PO Box 409060 11/116
Ione, CA 95640-9069

Yes, to yours and my surprise too, my dear ex-wife of 32-years has found the state is more than willing to proctor her hate. It turns out what I thought was love, was merely idolatry to their god, money. I look forward to giving you a more detailed description of my journey through what they call "justice", or as an old dog man might say, "I now know how the fire hydrant feels".

Namaste,
