SOLLECITO DID ATTEND THE NEW COURT PROCEEDINGS, WHICH RECONVICTED KNOX AND HIM LAST YEAR.

THOUGH KNOX AND HER "DREAM TEAM" USED THE SAME "OJ DEFENSE": POLICE EITHER MISHANDLED OR PLANTED INCRIMINATING EVIDENCE, WAS CONVICTED.

MS. Barbara Waters, Formerly of ABC THE VIEW.COM, and MAD, MAD Media found her, Nonetheless — Not guilty!

The defenders could never satisfactorily explain why Knox FIRST DEFENSE WAS THE AMERICAN / AMERICA DEFENSE: THE BLACK MAN DID IT!!!

I SUSPECT KNOX WILL PRETTYSMILE HER

In re: Ostracism of ex-offenders from our free Society.

Dr. Phil:

Your show is a very powerful global tool that seems to put people to the test of consciousness. And I sincerely believe that you can make a great impact on the evil idea and on the people who believe that ex-offenders (even after paying fully for their crimes) should be ostracized from society.

So many of us--millions in fact, "recidivate" because we are pushed into a corner and into anger demanding "revenge." It is a no-win situation for both sides.

After serving some 26 1/2 years in prisons I decided that I had to change my life to something better, and I did and without the help of corrections.. I was released in 1980 from the Wisconsin State Prison at Waupun and have not had any major police contact since. The first thing I did was to join an ex-offender support group at the Benedict Center in Milwaukee. The group assisted me in getting a place to live and a job as a reporter and writer for a news paper called the Milwaukee Courier. Shortly after this, I used my artistic skills to become a court room artist--one of the best in this country and went on to establish my own advertising business.

Even though I have done everything in the book to become a good law abiding citizen since my release in 1980, I am still being denied jobs, denied HUD apartments, I get nasty comments on face-book, and there seems to be no end to the stigma of being an ex-offender. And the only cure is for the United States Supreme Court to issue a ruling to stop the double jeopardy punishment we are being put to. The laws reads that "suspicion" has never been a crime that would permit anyone to punish some one again after paying in full for their crimes.

My biography can be read for free at www.ironcagebook.com. The story was written by one of my best friends, Ted Vogel of Milwaukee, the family once owned the largest tanneries in the world. additionally there are two more short stories on the same site. They can be read by clicking into "other stories."

I am also submitting a booklet put together by me with some documents that will explain some things about me. If it is at all possible, Please return this booklet to me when you are finished with it.

Again, I sincerely believe that if you were to address this issue to the public, many will reconsider their thinking and make society a safer and better place to live for all of us. It was said by Albert Einstein

that "the world is an evil place to live, but not because of the evil people, but because no one does anything about it."

If you would ask me if I am willing to appear on you show, my answer is, yes I would agree to do so.

I am on my way to Arlington Texas where I will be for a whole month, but feel free to contact me on my cell phone, 1-517-204-9278.

Respectfully Yours,

What Makes A Dad

***God took the strength of a mountain,
The majesty of a tree,
The warmth of a summer sun,
The calm of a quiet sea,
The generous soul of nature,
The comforting arm of night,
The wisdom of the ages,
The power of the eagle's flight,
The joy of a morning in spring,
The faith of a mustard seed,
The patience of eternity,
The depth of a family need,
Then God combined these qualities,
When there was nothing more to add,
He know His masterpiece was complete,
And so, He called it ... Dad***

Never Squat With Your Spurs On, Words from Will Rogers

Will Rogers, who died in a 1935 plane crash in Alaska with bush pilot Wiley Post, was one of the greatest political country/cowboy sages this country has ever known. Some of his sayings:

1. Never slap a man who's chewing tobacco.
2. Never kick a cow chip on a hot day.
3. There are two theories to arguing with a woman. Neither works.
5. Always drink upstream from the herd.
6. If you find yourself in a hole, stop digging.....
7. The quickest way to double your money is to fold it and put it back into your pocket.
8. There are three kinds of men: The ones that learn by reading. The few who learn by observation. The rest of them have to touch an electric fence and find out for themselves.
9. Good judgment comes from experience, and a lot of that comes from bad judgment.
10. If you're ridin' ahead of the herd, take a look back every now and then to make sure it's still there.
11. Lettin' the cat outta the bag is a whole lot easier'n puttin' it back.
12. After eating an entire bull, a mountain lion felt so good he started roaring. He kept it up until a hunter came along and shot him.

Moral: When you're full of bull, keep your mouth shut.

I believe God has made me a special person.

I am unique, unrepeatable, irreplaceable, and of infinite worth and dignity.

I am loved and precious.

I am called and sent by God.

I am chosen, blessed, broken and given.

God abides in me.

I am one of a kind.

I am gifted for the benefit of others.

I am a beloved child of God.

Reporting for Duty

Lord Jesus,

*by the power of Your Holy Spirit,
I give this day to you.*

*I present myself to You
to use in any way You choose.
Assign me to serve as You wish.
Use my mind, my voice, my hands, my heart.
I will gladly share with others
what you have done for me.
I will share my life, my heart, my resources.
I will lay hands on the sick
and be an avenue for Your healing power.
I will be courageous
in walking where you ask me to walk
and saying what You prompt me to say.*

*When I hear Your voice
I will say "Yes, Lord"
with a soft and open heart.
I will be an instrument of reconciliation today.
I will love.
I will receive others in love
and pray for them.*

*Oh Holy Spirit,
may each one I meet today
be touched by the power of your love
flowing through me,
revealing Jesus my Life.*

*And when the day is over,
I will return it all to You
in gratitude
as an offering of love.*

"Awakening to Wisdom"

(By Sue Patton Thoele from "The Courage to be Yourself")

We all know there are many mountains in need of moving. Mountains of ignorance and intolerance need to be transformed into peaks of understanding and acceptance, mountains of materialism must be lowered, and mountains of inequality must be transformed into partnership, respect and egalitarianism.

With qualities of compassion, intuition, and inclusion, we are called to awaken our own wisdom and to move the mountains that block our paths. Through our wisdom, we can fashion a powerfully creative and joyful life for ourselves and institute changes that will build a better world for our children and their children's children.

As with everything else, awakening to wisdom begins with ourselves as we realize that each of us is a creation of the Divine and therefore an expression and fulfillment of Divine purpose. As they say in Hawaii, "God don't make junk!" Far from being junk, at the center of our souls, we are innately, inherently, and incredibly wise. When we awaken to and act from our wisdom, mountains will move and God will smile with satisfaction.

WINSTON CHURCHILL

O Beautiful for Spacious Skies

1. O beautiful for spacious skies, For amber waves of grain;
For purple mountain majesties Above the fruited plain!
America! America!
God shed His grace on thee,
And crown thy good with brotherhood, From sea to shining sea.

2. O beautiful for heroes proved In liberating strife,
Who more than self their country loved,
And mercy more than life!
America! America!
May God thy gold refine,
Till all success be nobleness, And every gain divine.

3. O beautiful for patriot dream That sees beyond the years
Thine alabaster cities gleam, Undimmed by human tears!
America! America!
God mend thine every flaw,
Confirm thy soul in self control, Thy liberty in law.

Words by Katherine L. Bates Music by Samuel A. Ward

Help me, God, to keep my focus on the gospel of Christ and to not always dwell on the bad of this world. I find myself so often bogged down in fear and doubt because of all the ills around me that I long to shift my awareness to your miracles of truth, beauty, and justice. I want to reflect on the positive, and when negative thoughts intrude, let them pass without anxiety, knowing that despite it all, there is nothing to fear with you as my shield. Let my eyes and my heart rest upon your love for me through your beloved Son, and help me live in a manner that is pleasing to you.

Thank you, Lord Jesus, for all you've done for me. When the people in my life fail to come through for me, you're always here for me, always present with love and comfort and even a solution to my problem. Thank you for always watching over me. I can rest in the assurance that I have a true friend I can turn to, no matter what is going on in my life—a friend who has time for me and can give me the peace and understanding that only you can bring. Thank you, Lord.

Why, the Republicans can't negotiate disagreements in their own caucus, let alone with Iran.
