tired. At Butler today I learned that Tuesday  
an inmate was being transferred From Century  
Correctional Institution to Lake Butler. When  
they arrived the inmate was dead in the  
back of the van. The officers said he was  
beating his head on the door, yet they never

Saturday March 7, 2015 5:26am. Breakfast just came. I took the oatmeal OFF the tray, gave the coffee cakes away. I got up at 3:13 I washed up, cleaned the cell washed my sheets. Gary McCray is down there talking to his demons, one inmate is cussing him out one of the inmates down there, will pay an officer to write McCray a Disciplinary Report (DR) to get him OFF the wing. That's what happens when you have mentally ill inmates come on a wing and the guys want them moved. I need to write up a memo to try to bring about some change. I've set my weight bag up. I'm going to do some butterflies and hit the chest work out really hard. Didn't get any mail last night, but I've got some letters to catch up on.

7:03am. Just made my bunk, wrote 2 short letters trying to get some help with this rec time. Hoping to get that changed.
