

Scripture Reading: 1. Corinthians 13:1-8

"Sermon Notes"

"Love" is one of the many Emotions Given to Man. However Love is also the most Powerful of All Emotions. Throughout the years there have been many. All over the world. Who have, written All kinds of Books. On what "They" Think the True, Meaning of Love Really is. Then you have those as.... "Mother Love and Mrs. Cleo. Along with the Physic Friends Network. Who Claim to Also Know the Real Meaning of Love. They say they can help you find Real Love. But my Question is this. Since All these people of the world. Know what the True meaning of Love Really is. And they have All the Right Answers. On How to Find Real Love. Then why is the world in worst shape now. Has it been ever before? Reason is they don't have the Fastest clue as to what Real Love is. Not the True "Meaning of Love". Or else we wouldn't have our Children killing Parents, or Parents killing Children. We wouldn't have our Children taking Assault weapons into their Classrooms killing other kids than themselves. We wouldn't have people planting Pipe Bombs in Trash cans blowing up innocent bystanders. If the world held the True "Meaning of Love. Drugs wouldn't be sold on our streets in our Parks to our Children. If the world had Love, our women and children and old people wouldn't be Robbed, Raped and killed there would be no more Innocent Blood shed. If the world held the True meaning of Love. They would understand that Love is meant to be Shared 365 days of every year. Not just on 2-14-15. They would understand Love is an action word. Meant to be shown not just talked about.

Yes indeed they not nothing about the true meaning of love.

You have artist like Al Green who wrote songs on love. Al Green's song says "Love will make you do right, love will make you do wrong, love will make you come home early, will make you stay out all night... means for love when you have the young artist named "Mickie Soulchild" who wrote a song intitled "Love" who's song says.... "Love, so many people use your name in vain." now, this artist is send to stand in full agreement with. He hit the nail on the head.

Now we cant forget about our all time favorite,

Eina Sumner. For years she's ask the same question.

"What's love got to do with it?" Who needs a heart when a heart can be broken? What's love but a second hand emotion?"

Now if I had the chance to talk to Eina Sumner. I'd have to set down and explain to her the facts that love has everything to do with it when you loved by and loving the correct one, that one is Jesus Christ. I would have to tell Eina that over in the book of Psalm 51:17 I heard the Bible say! "What a broken and contrite heart these O Lord will you not despise. And I heard the Bible say! in Psalm 147:3 "He heals the broken hearted, and ~~binds~~ binds up their wounds." Aint that all right? I know him as a Doctor, who never lost a patient, a friend who sticks closer than a brother. Amen!
Then the end...
