

THE CALL TO AWAKEN

Glory be to my brother Jesus Christ for being the first born son of our Father God in heaven to enter this evil world in the flesh, without sin, to fulfill the wisdom of our Father's grace. Establishing a new covenant so all entering the sinful birthright of this evil world can receive redemption of spirit from my brother Jesus in order to live free of sin throughout their sojourn of this evil world in the flesh.

Woe be to all entering this world of evil who fail to repent their sinful birthright of the flesh bestowed on them by their father and god, Satan! Even though many will see the hypocrisy of this evil world and try to repent of their own sinful ways, they will continue to deny guilt in the cold blooded murder of my brother Jesus Christ. They will follow the light of the false ministry of Christ that their father and god, Satan perverted to retain their souls through deception of a false salvation. Which sadistically seeks to recrucify my brother Jesus over and over through the continued confession of sins. While their father and god, Satan rewards them for their pious and self-righteous actions in persecuting all who fail to follow their example.

Praise be to my Father God in heaven for giving me His living word in plain English, so I would be able to discern the Truth and not be deceived by the world's hypocrisy meant to lead me astray. I was also blessed through my Father God's grace with a measure of faith assuring me Satan has no claim on my soul as I sojourn this evil world in the flesh. Since I live through the Spirit of my Father God in heaven knowing it is His will being done while I carry the burden of my cross in the flesh through humble penitence.

I did not come into this world expecting to receive accolades like those who can only profess knowing my Father and Brother in heaven. I already knew the world would persecute me in the flesh and that only through keeping faith in the love and mercy of my Father God in heaven would I become a beacon of His glorious light coming out of a world buried in darkness to minister the true gospel of my brother Jesus Christ.

My sojourn of this world has not been an easy one, as my faith in the love of my Father God in heaven has endured many tests. It is not for me to seek the world's understanding of my sojourn since the world has already been judged and condemned by the evilness of its heart and spirit. Now as my sojourn of this evil world draws near to its end, I call on my brothers and sisters to awaken from your sleep to let the spirit of your light shine on this evil world through the ministry of the true gospel of our brother Jesus Christ.

How majestic is the blessing bestowed on me to be an eagle of woe, calling on my brothers and sisters to awaken to the coming of our Brother, Lord, and Savior Jesus Christ? The world cannot deny me this blessing even though I am buried in the darkest regions of this world on Florida's death row. The message of my calling soars over the world for all the world to hear in the fulfillment of prophecy giving all praise and glory to my Father God in heaven for the wisdom of His loving and merciful grace.

Woe, to all born into this world of pure evil, and especially to those who function as ministers of the false light of my brother Jesus Christ. I can tell who you are through the test of the Spirit. Your ministries do not accept guilt in the shedding of my brother Jesus' blood upon the cross. It is

only through the wisdom of grace my Father God does not look upon this world of pure evil. Instead through his divine loving mercy my brother Jesus was given preeminence over this evil world until the end of time. My brother Jesus is the only advocate our Father God in heaven will recognize at this time and those who have not confessed their birthright of the sin of killing Jesus upon the cross will perish. It will not matter how you profess to having worshipped and served my brother Jesus, you will have failed the test of the Spirit. Your father and god, Satan, will have deceived you through the ministry of the false light of Christ into selling your soul for a false salvation. Repent to the sin of nailing Jesus to the cross of which all born in the flesh of this evil world are held accountable for. My brother Jesus will not mock you as the fear of the Lord is the beginning of wisdom.

Woe to those blind to the truth who continue to follow the blind, for they do not have the discernment and will to show themselves approved of God in rightly dividing His living word of truth. They will continue to follow the many who only profess to know my Lord and brother Jesus Christ. They will continue to worship in the flesh instead of the Spirit of my Father God in heaven who has condemned the flesh. They will not understand my brother died once for all sin and will repeatedly crucify Him by asking forgiveness of their sinful ways. They will devote their time to serving the flesh seeking forgiveness of sin and never receive the Spirit of my Father God in heaven which is free of sin. They will not receive eternal life through the Spirit, but perish instead through the flesh. Never understanding the flesh is dead and only through seeking forgiveness from my brother Jesus for having been nailed to the cross can one truly be reborn in the Spirit pure of sin.

The flesh is dead! The Spirit of my Father Gods eternal life!
Woe to all who fail to heed the true gospel of Christ.

The Holy Spirit who guides my hand has shown me through perseverance of faith in my Father Gods will being done through me. The time has come to let my light shine and sound the alarm for my brothers and sisters who also suffer the worlds persecution to awaken and bring forth the true gospel of our brother Jesus to all the world. (Ephesians 5: 8-14) NIVE

For you were once darkness, but now you are light in the Lord. Live as children of light (for the fruit of light consists in all goodness, righteousness and truth) and find out what pleases the Lord. Have nothing to do with the fruitless deeds of darkness, but rather expose them. It is shameful even to mention what the disobedient do in secret. But everything exposed by the light becomes visible - and everything illuminated becomes a light. This is why it is said:

"Wake up, sleeper,
rise from the dead
and Christ will shine on you"

April, 2015, I now say woe to all who fail to awaken to the true gospel of my brother Jesus Christ. While singing praise to my brothers and sisters who heed the alarm and awaken to their calling. Praise be to God our Father in heaven!
