SOCIAL ACTION: NEW BOOK STUDY GROUP FORMING

"Now and then a book comes along that might in time touch the public and educate social commentators, policymakers, and politicians about a glaring wrong that we have been living with that we also somehow don't know how to face. *The New Jim Crow: Mass Incarceration in the Age of Colorblindness* by Michelle Alexander is such a work" — *The New York Review of Books*

"An explosive debut ... alarming, provocative and convincing." — *Kirkus Reviews*

"[C]arefully researched, deeply engaging, and thoroughly readable." — *Publishers Weekly*

WHEN & WHERE: This book study will be held every Sunday in April (for 4 weeks) at 12:30 in the Religious Education office. Stop by the new UUA

Book Table in the library for a great discount on the book. For more information, contact Penny Adrian (682) 234-5817.

ABOUT THE BOOK: The New Jim Crow: Mass Incarceration in the Age of Colorblindness was a New Your Times Best Seller and was selected as the UUA 2012-2013 "Common Read". Author Michelle Alexander is an attorney, civil rights advocate and professor of Law at Ohio State. The problem of mass incarceration and its devastating effects on communities of color, the injustices inherent in the prison-industrial-complex and the contrived sinister aspects of our war on drugs have been issued that many of us have known and cared about for many years but have found difficult to articulate to others so they can understand. Professor Alexander has laid it all out with compassion and concern - the whole sorry mess - backed-up with data and research so we can understand what has been so skillfully swept under the rug. 'People who care about social justice and its relation to government need the knowledge that's in this book! It goes against a lot of what has been taken for granted about our criminal justice system. Discussing it together will help us all to better understand the nuances of Ms. Alexander's arguments.

FOX NEWS SUNDAY.COM, OBAMA
AND WHITE REPUBLICANS...

I wish to write about MY EXPERIENCE WATCH-
-ING Chris Wallace, George Will, Juan Williams,
et. al March 8, 2015; Juan, Anchor Chris,
Kristen, USA TODAY, Carl Rove, et. al., March 15,
2015...

HOT TOPICS... ON Ferguson and Department
OF JUSTICE (DOJ) REPORT, Released March 3, 2015.
And always President Barack H. Obama...

George and Chris take away ON DOJ RE-
PORT: Officer Darren Wilson was INNOCENT and
Protestors are wholly wrong, and Lectured
twice elected First "N. _ Word" President's

Policies and Misuse of Proper English Language.

Last Sunday, Jawn showed so much vim and strong-will against Karl Political Nonsense when discussing Secretary Hillary Clinton "TWEETS" and Ferguson, z was so proud of him - as he - as a MAN! Obviously, not easily intimidated by infamous personalities and pay-check (REMEMBER NPR FIRING)!!!

Then Kristen, put down some "PUSSY POWER" [x0!] - opening wide her arms and demanding those old white men let her speak [ON Ferguson] and so quietly they yielded! You go girl!!

Chris aims to BAN RACISM (POST-RACEAL) [z illustration: Last November when Louisiana Now defeated (Democrat) Senator said Racism against Obama played a part in the election. In heart-attack mode, Chris declared: z can't believe that she said that...] and Twice-elected Obama's "PRESIDENCY" from their Billionaire "GATED FANTASTY WORLD"!!

Nonetheless, Kristen and Jawn kept it REAL! Kristen, hit the Bullseye with Highlighting - Fer-

GUSON MISUSED THE SO-CALLED "CRIMINAL JUSTICE SYSTEM" TO GENERATE INCOME OFF THE BACKS OF BLACK CITIZENS! LIKEWISE, IS THE PRISON INDUSTRIAL COMPLEX.
