MARCH 23-31, 2015

Monday March 23, 2015 5:08

I got a late start this

morning. I didn't get up until 4:08. I woke up at 12:30 to use the restroom, then didn't get back to sleep until 2PM. I heard the cops walk through at 1am and 1:30 doing their 30 minute checks. So I know I fell asleep between 1:30 and 2am. It's been raining. I can hear the rain falling.

5:18am. Breakfast just came. I put the oatmeal in a bowl. Gave the pancakes away.

6:28am. Just finished a letter to a Death Penalty org. Guess I'll do some walking now.

8:25am. Walked for a while, then stopped and wrote a letter. I need to exercise and write a couple of request slips.

9:00am. Watching RTM doing pushups between commercials.

10:16am. The sun has come out, I sure hope they pull us for recreation this afternoon. I did a couple of hundred pushups, I'm really tired. I need to set up my weight.

bag and do some Flies and military presses.

11:02 am Here's lunch. I'm going to make a Beef Stew, that Food on the tray is nasty.

11:17 am. I had to go under the earbuds and listen to music. I'm sick of this guy down the hall crying about everything. Guy next to me was talking about 10:15 or so and this guy is like you wake me up. I'll just block him out with the music. If they don't call rec by 1 PM, I'm going to set up the weight bag and workout.

12:20 PM. I just did 500 or more push ups. I was ticked off and that pushed me to hit them harder. I'll sit the weight bag up at 1:20 or so, I want to make sure they don't come get me for a rec make up. That's always a possibility.

1:23 PM. No word on the recreation, so time to sit up for this exercise session.

2:41 PM. Just finished working out. That was a good one. I need to relax for a bit then wash some clothes soon as I get my shower tonight I'm going to bed.

5:36 PM. Dinner just got here, they're running late

5:52 PM. Finished eating now waiting on the shower then I'm going to bed.

7:42 PM. Back from the shower, they were also running behind. I'm going to bed I'm very tired.

I need to walk and listen to some music. I'm going to try to move back over to 6-wing. some guys over there want me to move back, plus they want this guy Doug gone. Doug will fit in good here. It was 18 years ago today that my Dad killed Connie. I thought of that when I wrote down the date above.

5:19am. Here's breakfast, sausage, biscuits, grits and potatoes.

6:04am. The CO's are opening the cell doors with keys which they do every Tuesday. I'm writing a letter to Doctor Lanier.

7:17am They just called recreation, so I need to get ready.

11:00am. Just got back in from recreation. The yard OFFICERS are pissed at me for having people call Tallahassee. They were saying smart ass comments to me on the way out. on the way back in the Sgt. was saying sure wish warden Reddish was back here. Cause this shit wouldn't be happening. when they were leaving the other Sgt. said Have a nice day piece

of shit, so now I'm going to go Full

change and get this yard straightened out
and now, so much more.

1:46 P.M. wrote two letters to protect myself
or trying to get help. Also wrote the
assistant warden. IF I don't hear from
him by Friday, then I'll be writing the
Regional Director, senator and Governor's
office. In fact I'll probably start on that
tomorrow.

4:31 P.M. just finished eating. I'm trying to
figure out what my next step is. maybe
I need to go ahead and write the Regional
Director.

6:38 P.M. just finished a 4 page formal compl
aint. Trying to protect myself, cause I know
they're going to come after me. I need to
bath and then lay down. I'm tired.

7:40 P.M. Going to bed.

wednesday March 25, 2015 5:59 am. Got up at
2:30 washed up, made the bunk cleaned the
cell had a cup of coffee, then re wrote
the letter to the assistant warden which I
will send out this morning. I put the
out meal in a bowl, gave the coffee cakes
away. I'm trying to figure out what
step I should take next. I've got a
couple of ideas. Need to think it over

before I get started.

7:21am. just finished a 4 page letter to a woman in ca. who I hope can help me correct issues here, and help protect me from any further acts of reprisal. Need to walk for a bit and decide what my next move is going to be.

7:28am. Mail lady just picked up the letter to the assistant warden.

10:01am Bishop Snyder came through with two of the catholic brothers. I talked to them and was watching RTM before that.

They took 4 and 5 wing to recreation on yard 4. I don't think there was a dozen guys out there. They're trying to make the inmates mad at me, so they don't put enough inmates out there to play volleyball or basketball. That's the way it works.

11:25am. They just called us for afternoon rec. I told them I'm going, but I'm not so sure.

4:16pm just got back from rec. only 9 of 215 was out there. This Sgt. came down acting stupid, sexually harassing me. I'll be writing him up.

4:44pm. just finished eating rice and some meat. I've got to wash some clothes. I'm sick of this wing here. This guy down the hall has been crying about a bag for 30 minutes. He passes stuff down the hall and then cries when

I've got that letter ready to go out this morning. I'm going to be writing the Chief Inspector General in the Governor's office. Then I'll decide what to do next. I need to walk for a few minutes and just think.

Friday March 27, 2015 4:04 am. Been up since 2 am. Murray is down there yelling and clapping his hands and is still doing it. We really need a mental health wing. Thing is, I'm the one who has to fight for this change. Cause guys around here, they talk about wanting change, but they don't want to do anything to bring the change. Well, I've got to get to writing to try to bring about this change.

5:20 am Finished eating, grits biscuits + sausage. I'm writing to have people call the secretary concerning this retaliation. Which is what I will be doing all day.

6:20 PM. It's been along day, I haven't done anything - just been laying around. I'm about to go to bed. I've got to pull myself out of this state of mind.

Sunday, March 29, 2015 5:00 am. Been up since 3:25 McCray was down there clapping and yelling. He woke me up with that last night at about 11 PM. I've got to try to get a mental health wing set up here in P-Dorm. I've washed up cleaned up made the bunk.

ing recreation, and the need for a mental health
wing. Not sure if it'll do any good, but I
thought I'd try it.

6:57 am rewrote the grievance on recreation. I'm
going to write the senator next about the rec
and mental health issues. Right now I'm going
to walk. I've got to start exercising. My
back is starting to hurt really bad. I turned in
another sick call slip this morning.

7:15 am. Grievance lady just picked up the grievances.
sent 2 out, both dealing with recreation.

7:31 am. Legal mail lady just picked up my letter
going to the Regional Director. Going to walk.

10:52 am. Back in from recreation they called it
around 7:40 and began pulling shortly after. No
one even talked to me, so someone obviously
spoke to them about backing up off of me. I've
got to make something to eat.

11:26 am lunch came, I gave it away, it was a
peanut butter sandwich. Not very good. I'm eating
a soup and tuna sandwiches. Guess I'll write
the senator this afternoon.

5:18 PM. Seen the male nurse. He looked at the finger said it's infected that I need to sign up for sick call tomorrow. This thing hurts!

8:12 PM. Back from the shower, I'm going to bed. Was laying here thinking about how that yard Sgt. tried to instigate another inmate into starting something with me on the yard. Several years back 2005 ten years ago, they staff tried to get me to jump on another inmate by offering me extra yards and food. I wouldn't do it.

Got up at 4:30 washed up made the bunk cleaned the cell, had a cup of coffee, just finished eating breakfast. I had a dream that the officers came into my cell and just destroyed it. 11:13am Lunch just came, I didn't eat it. And they just called recreation, so now we will be stuck in this cage Wed, Thurs, Fri, Sat & Sun and maybe Mon. 5 to 6 days without rec. I did get several cards ready to go out.

12:26pm just waiting on them to pull for recreation. Hope I don't come back in, to my cell destroyed. I'm still expecting retaliation.

3:52 PM Back in from rec, we did not get the full 3 hours. I've got to wash clothes and bath. 5:06 PM. Clothes are washed. I had chicken for dinner. I ate 6 pieces. I'm stuffed. I've still got to bath then get in bed.
