To Kathy; yes, my father's name is Michael Colberg, though I believe (as I was told by my mother) that his first name is Johnathon, and Michael is his middle name. (Or perhaps I misremember.) I met him in 2000, in Eugene, Oregon. Shortly after I met Jesse and her husband. They mentioned that they had been trying to find me, and had even found a false lead previously.

Sadly, I was neglectful in maintaining contact, only exchanging a few emails before being convicted in late 2003.

As I have always been estranged from my father's side of the family, that is about all I know. I was born on August 10th, 1974 in Van Nuys, CA. My mother's name is Carol-Anne. I believe my parents met while working as paramedics. Sorry my information is so scant.

I do not know how responses are (or are not) posted on this blog site. I would love to put you in contact with my two teenage sons, Alexander and Nicholas, but I will not make their contact information public on the web. Like myself, they have had little contact with their father's side of the family, and I would be happy to see that change.

As for myself, I would love to learn as much as I can about my family, past and present. Anything that you are able and willing to share would be wonderful. I believe that my direct postal address is on this site, but if not, please write "Freedom A. Colberg, #15273412, % T.R. C.I., 82911 Beach Access Road, Umatilla, OR, 97882-9419."
