Dear Sarah,

Thank you for posting your comments! 😊 When I receive comments such as yours, it's very encouraging to continue my work writing and composing poetry.

Additionally, positive feedback from my blogs inspires me to continue in the Struggle, to change negative attitudes and experiences into positive and productive action.

BTW, did you know that your lovely name, Sarah, in Hebrew means "princess"? Yes, very fitting for a righteous sister such as you. 😊 I hope you'll agree...

Be well & smile! 😊

In struggle, Viva the Amazons! ♀♀
