Ashley,

What a nice surprise getting your note - and yes, you sold me when you mentioned you have jokes. 😊

I got the copy of your Blog in the mail yesterday, and at the top of the page it says "Posted 2 weeks, 2 days ago" - so much for a quick response. 😊 Sorry about the lag.

If you want to write directly to me you can at:

It should cut a week or so off the response time, and allow for longer letters if you choose.

To be honest I do not remember meeting you, but then I only ran into Jan a couple of times, and never really was close with anyone from that side of the family.

I too have not heard from any of them.

I do stay in touch with my brother and sister, we touch base once a week. They both live out of state, so it's phone calls and letters

well, these blogs are not designed for long winded letters, so I'll wrap this up. Thank you for sending a smile to my day, I hope you are well and I'll look forward to hearing from you again, anytime.

keep grinnin'. :-)

Daniel
