

A MAN IS MASTER OF SELF

*A man is master of himself. He feeds himself, clothes himself, build's his own shelter and with all, he is able to provide for himself. Are you a man? Well, first of all you must have your own land. If you do not have your own land, you can't possibly feed yourself, clothe yourself, or have a place even to build shelter for yourself. If you don't have land to do any of these things, ask you self. Who is taking care of you? If somebody else is feeding you, if somebody else is clothing you, if somebody else is building homes for you. Guess what? Not only are you not a man. Not only are you not master of yourself. **SOMEBODYELSE IS!** Somebody else is your master and therefore is ruler over you and your family. Stand up! Be a man! Do what you must to be the master of your own self and your family.*
