Michael Jackson has to defy gravity. On the other  
side of the coin we're often viewed as primit-

IS ISRAEL PRIME MINISTER IRRATIONAL

Israel... Is Israel Prime Minister Ben-

UPDATE:

IRAN NUCLEAR AGREEMENT OPENS

"WINDOW OF POSSIBILITY" JOHN KERRY SAYS.

This will be a BRIEF DISCUSSION IN "REAL POLITIK"!

IRAN nuclear issue is but a side bar in the urgent pure Geo-Political Power struggle. The real HOT CONTENTION IS Israel "SPECIAL STATUS" IN MIDEAST Power politics. LOOK BELOW, A. 4,

AS Prime Minister Benjamin Netanyahu March 3, 2015 controversial Trip to Washington (and Republican Allies) and Israel last month elections expose Iran is the ONE and ALL strawman to project and ADVANCE his SUPER-POWER!

Saudi Arabia and the other Arab Nations are playing a similar "self-interested" PURE POWER GAME!!!

IF Iran obtain "Normal Nations Relations" status with America, then they all especially Israel who receive military and billions of dollars in grants annually, fear the diminished or lost of "MOST FAVORITE NATION" status.

[ The U.S. Interest is being forcibly drawn To Asia by Big China! ]

" Listen: Netanyahu incessantly exclaim "Israel and America's special Relationship"!
