

When the sweat shit hits the fan  
at the YMCA... Buffalo Soldier Style

Keith: Hey man, who the hell is that working on the upper level,  
Def Leopard?

Pamerson: Be nice...

Keith: I am being nice. I shook his hand. Besides, he is the one being  
unruly, coming up in here looking like Def Leopard...

Pamerson: How quickly we forget. You have long hair too, you know?  
What if he says you look like Rick James?

Keith: He did not say that. Did he?

Pamerson: What if he does? You would want to fight, huh?

Keith: Well, um...

Pamerson: Well nothing. Stop calling people names if you do not want  
it to happen to you...

Keith: Man, I was just playing with him...

Pamerson: Yeah, you have a funny way of playing...

Keith: I do not. It's no different from anybody else...

Pamerson: True that but, maybe he did not take it that way. People see  
things differently than how they are expressed...

Keith: What am I supposed to do, apologize because I found the man's  
twin? They say we all have a twin somewhere...

Pamerson: No, I think you should apologize for insulting him. Ron is a  
good guy and maybe he does not like Def Leopard. Have you  
even thought about that?

Keith: Well, what kind of music do you think he likes?

Pamerson: I do not know. Why don't you go try asking him?

Keith: What if he says he likes Rick James?

Pamerson: Well, I guess you can sing one of your hit songs to him, then...

Keith: That's cold, man...

Pamerson: No colder than how you just characterized him without getting  
to know him...

Keith: Man, people do shit like that to me all the time...

Pamerson: That does not mean you should do what other people do. You  
have to learn to be your own man...

Keith: I am my own man...

Pamerson: Not when you follow other people, you are not...

Keith: You have an answer for everything, don't you?

Pamerson: No but, I am trying to locate the answers to my college homework that you are keeping me from...

Keith: College?

Pamerson: Stop it. You know I am attending Stoneham college...

Keith: Yeah, you are right. You are studying to be some big shot in the future...

Pamerson: You know what?

Keith: Alright, I'm going. Don't get all ruffled up for nothing. Say, by the way, how is Ku...

Pamerson: My wife Keith. She's my wife...

Keith: Okay, geeze. You don't have to get all touchy over it. I know she is your wife. I was supposed to go to the wedding with you, remember? But, you ran off and left me...

Ron: What, you again?

Keith: What, me again? What's that supposed to mean? Is everybody here just angry people? I came to apologize, man...

Ron: No, I am not angry. I do not like Def Leopard. I heard your comment you made to P...

Keith: Well, hell, I did not know you do not like Def Leopard. How the hell am I supposed to know that?

Ron: You could have asked but you did not...

Keith: Do you like...

Ron: No...

Keith: Okay, fine, you want me to apologize?

Ron: I want you to stop being so hard on me and, how about welcoming a person without making fun of them when you meet them for the first time, and yes, I would like for you to apologize?

Keith: Okay look, I'm sorry. So, what, you attend college too? I mean, I can see the books in front of you but, that can mean anything...

Ron: It does not mean just anything...

Keith: Okay so, what, do you think you are smarter than I am now?

Ron: 'Didn't say that...

Keith: Do you want something to eat?

Ron: No, thank you...

Keith: Why, because I called you Def Leopard or, is it because I'm black?

Ron: 'Didn't say that either...

Keith: You're really not saying much to be a college guy...

Ron: Sometimes you do not have to say anything, you just do the work...

Keith: That's stupid...

Ron: Why, because you do not get me or, you do not get the whole college thing?

Keith: No, because you're just staring at me and aint saying shit...

Ron: What else am I supposed to do? You are talking and you are keeping me from trying to get smarter by keeping me from doing my school work...

Keith: Did you just not say college because you do not think I understand?

Ron: Nope...

Keith: Did Pamerson put you up to that because, he just said something similar to what you just said?

Ron: Nope...

Keith: Look, are you going to eat some of this or not? I have a whole pan of this stuff. Maybe you think you might turn black if you eat some black people's food...

Ron: There is no such thing as black people's food...

Keith: Oh yeah?

Ron: Let me try it...

Keith: Hold up chief. You don't just stick your spoon in a mans plate. Here, take this cup. What the hell are you doing with a spoon in your pocket anyways?

Ron: This is some good tasting shit...

Keith: It is not shit. It is my mom's banana pudding pie...

Ron: I thought it was banana cream pie...

Keith: Well, it aint, it's banana pudding pie. Just eat the shit...

Ron: What? You said it's not shit, damn....!
