Dear Blogfest,

2-27-15

Morning, afternoon, & all that.

I'm ok - just indecisive. NE way here I am rehashin thoughts on paper... Was bout 2 read my Bible but I decided 2 meditate on God's goodness, cause sometimes in my selfishness - when I don't get what I want - I close my eyes & heart to God's great goodness. (Sorry):
Guess I'm still human. I deal with stress & anxiety 'bout hearin from my daughter, not to mention the daily desire to be FREEER - already. I just want 2 B ME - already. Married w/kids (foreign & domestic), successful as a teacher / author / father & as a man, who no longer fears walking in LOVE. The Bible says "The desire of a man is his kindness," yet we teach men 2 B hardcore... ^

NE-who working out 2x's this week has every ~~out~~ once of my being-tired. If I can make it to 10pm I'll be alright. Amen.

Always feel like I ha 2 say ~~somet~~ some thing deep & philosophical. I blame Regi & thank her for calling me "the

Philosopher King." I almost titled a book
that. Pride & ego still linger like mouth
wash...

God will fix me... provided I cooperate
Amen.
