Dear italianguy,

Thank you for transcribing my poems. What follows are a couple more short poems which I hope you may also find the time to transcribe. Your help is greatly appreciated.

Is there a possibility you may be able to get involved in the quest for commonsense prison/public safety reform? If there is any role you may see yourself playing in that effort I would love to hear from you. The group I am working with needs a web manager, a facebook, and a research assistant. If you could fill any of those roles, even in a minor capacity, we would be deeply appreciative. Please let me know?

Thank you again. You can contact me here on the blog or you can reach me directly at;
