JESSICA: IT WAS good to hear from You & I told Heather to tell you we should have BEEN MET each other Because the little bit I read about you had me interested in getting to know you.

Yeah my situation is a messed up one But one thing I don't do is let it get me down or hold me back from bettering myself while in here. I try to stay busy and getting as much accomplished school wise so I will have a good foundation once I come home.

About ME: I am a very active person & like to work out and play a little basketball, I got a little skills for a white guy <sup>LOL</sup> I do a lot of reading & listening to the radio when I'm in my room.

It's good to know you are open about talking about whatever cause I am also, I like to keep things honest and it kills a lot of the bullshit.

You sounded like an independent woman <sup>LOL</sup> from your words & I hope things go good for you since you are going through the separation. Sometimes a guy can't recognize a good thing so that's his loss, right.

So what kind of things do you like to do? You have a 2yr old so I know she keeps you busy & but you sound like a great mom & you know Mother's Day is coming up so I want
