

ACROSS

by Timothy J. Muise

* * * * *

Across the Rio Grande,
an escape in the Westerns.
Across the Great Divide,
classic wanderer exploration.
Across the razor wire,
the greatest distance of all; almost.

Across one great barrier,
which blocks peace and love.
Across a very short distance,
a journey so arduous.
Across race, creed and gender,
we must work to span the gap.
From our head to our heart.
