

DONNY'S PICKS FOR THE NFL PLAYOFFS

HEY EVERYONE, THE TEAMS I AM PICKING TO MAKE THE PLAYOFFS ARE PRETTY MUCH STANDARD, SAME AS LAST YEAR WITH A COUPLE OF SURPRISES.

AFC

DENVER
NEW ENGLAND
INDIANAPOLIS
CINCINNATI
BALTIMORE *
BUFFALO *

WILD CARDS *

NFC

SEATTLE
G.B.
CAROLINA
DALLAS
MINNESOTA *
ARIZONA *

DENVER - Peyton is Peyton AND the team improved on defense in draft
N.E. - even with SCANDAL Bellichek AND BRADY will be there
INDY - team is really good AND got better in offseason AND draft
CINCY - team is good, got better in draft, look for DALTON to BREAK
WINLESS PLAYOFF draught.

BALTIMORE - good team, got better in draft

BUFFALO - good team, got better in offseason AND draft, new coach,
could challenge N.E. for division.

SEATTLE - A great team that will still do it the old fashioned way, RUN
the ball AND defense

G.B. - great team, had good draft, defense is a little soft.

CAROLINA - good team but CAM needs help AND it's a bad division

DALLAS - good team, shouldn't have let go of MURRAY but it's a bad
division.

MINNESOTA - good team, better with A.P. back, good coach, watch out.

ARIZONA - good team, very hard division, if PALMER can't stay healthy
look for RAMS to get WILD CARD instead.
