June 30th 2015.

Shout out goes to "SEXY" Michael Gerard "Mike" Tyson Born June 30th 1966. In Brooklyn New York City. Mike Tyson dropped out of high school as a junior and never graduated. According to the media.

Tyson's mother died six years later, leaving 16-year-old Tyson in the care of boxing manager and trainer Cus D'Amato who would become his legal guardian. At the age of 20 years old and 4 months he became the youngest heavyweight Champion in history. "He's forty-nine years young." ☺

He's forty-nine years young. He's A former heavyweight Boxer and yes he's my favorite of "ALL TIME" or in history should I say. He had fifty fights and only loss six when he was in that professional boxing industry, fantastic.

He earned his name Iron Man Mike / The baddest man on the planet. In my eyes he truly is. I don't know him personally or never met him but I "LOVE" his Daredevil spirit. According to public media. He's been married three times his First wife was Robin Givens, Second wife was Monica Turner, and the third one now is Lakiha "Kiki" Spicer. It's stated he got eight kids.

On May 25th 2009 Tyson 4-year-old daughter Exodus was found by her brother Miguel unconscious and tangled in a cord, dangling from an exercise treadmill. She died on May 26th 2009.

It was stated according to the media that Mike Tyson has went to jail a couple of times, and has been to prison twice too! He was diagnosed with bipolar disorder according to the media. Nobody's perfect. He's still fine to me. I got a lot of photo's of you Mike I tore out of different Publications Former JET, EBONY, Rolling Stone magazines etc. It doesn't matter what's happened to him in his L.I.F.E.
