

Son,

Saturday July 4th, 2015

Thanks 4 pen'n Me that letter - written from Ur heart - a heart that has been battered & torn...& shredded into a million pieces. (I think I found one!).

Yes, U can bring 2 Me all Ur earthly pain & grievances. As Ur Heavenly Father - I grieve with U. We R one & the same. In all Ur affliction I AM AFFLICTED (Isaiah 63:9) Yes it is Biblical 2 confide in Me about all the lemons life gave U. My very own servants did the same. Some beg'd 2 die; some called Me unfair; some resisted My call on their life; some desperately sought 2 understand Y I love them so. (Exodus 4:10 Genesis 15:1-4 Judges 6:11-13 1st kings 19:4 Jonah 4:3 Psalm 8:4).

"COME TO ME" & I will REdefine Ur definition of LOVE. I LOVE U. I Know what U been through/R goin through. Is not Ur life story seen in the verses of Ezekiel 16:1-5? But now I will bring 2 pass verses 6-14. Amen. I will REdefine Ur definition of LIFE. I will parent thee & GIVE thee all the parental guidance U so desperately crave. I will deliver U from Ur "parental issues" - as U allow Me 2. Amen. I will lead U & guide U & teach U through the indwelling of the Holy Spirit (Isaiah 9:6 John 16:13 Psalm 25:5 Psalm 31:3 1st John 2:27).

I've heard Ur cry 4 help & I will help U. Help U just like I helped the Israelites, just like I helped David, just like I helped Jesus. Will I not avebng'e My elect who cry out 2 Me day & night? Yesssss!!! Son, I will leave U found sitting & clothed in Ur right mind & heart. Amen. As U spend time with Me I will cleanse Ur mind, body, & soul. Ur past pains & hurts will become insignificant & not worthy of dwelling on. Yes, Ur past is incomparable 2 the future I have in store for U. Look 2 the heavens from which comes Ur help. Cling 2 My promises "Though Ur beginning was small (unloving, lonely, abusive, hurtful, shameful, broken, lackluster...) YET Ur future shall be greatly increased (full of LOVE, 4givenness, Hope, encouragement, affirmation, attention, affection, support, ~~friends~~ friends, parents) Job 8:7 Ezekiel 36:11

Far as others R concerned, as it relates 2 what appears as them getting away with "murder" etc. What's done in the darkness MUST come 2 the LIGHT. Read Psalm 50:6-22. Meanwhile, get Ur heart right with Me & pray 4 said individuals that they would repent & be delivered from the power of satan & turned 2 My marvelous LIGHT that they might go 2 heaven. I want all 2 B saved. Amen.

Honestly people R not the enemy. It is the devil, who did those horrible things 2 U. He has been attempting 2 kill U since B4 U were born. revelation 12:1-4 See the enemy of Ur soul - satan - also has a will 4 Ur life - that will is 2 satisfy his lust upon U & make (keep) U a slave 2 sin & self (Exodus 15:9) Remember the devil ONLY comes 2 steal, kill, & destroy (John 10:10)

See what breaks My heart, Son, is that when U all come 2 have faith in Me/believe in Me U all of a sudden 4get thAT there is a devil. The arch-enemy of Ur soul who is daily looking 2 devour U (1st Peter 5:8-9) Having 4gotten this My children R so quick 2 get mad at Me, give Me the "finger", then storm out the house, never 2 B seen or heard from again! :(Oh how I wish My beloved children would be as mad at the devil as they R at Me... After all I have no plans 2 harm them. I only want what's best 4 them. But U all can't see it cause U're 2 busy tryin 2 tell Me what's best 4 U.

Will U all truly trust Me?

Son, will U trust that the time I allowed U 2 get in prison is in Ur best interest SPIRITUALLY? Stop dwelling on Ur physical discomfort. Focus on knowing Me (jeremiah 9:23,24 Philippians 3:10). then watch Ur attitude soar from negative 2 Positive. Then watch how I will use U 2 touch other peoples lives (urs included. Smile) I know that like cain, U feel Ur punishment is 2 much 2 bear, but trust that I will give U the grace (divine influence upon the heart) 2 get through this blink of prison time. Walk on water.

Son, U R an overcomer & more than a conqueror - so what's it that I bless U with something (situation/circumstance) 2 overcome 2 conquer?? The mountains I don't move I'm trusting U 2 climb. U can do all things through Christ who gives U strength. And as if that's not enough - know 4 an absolute fact that I BELIEVE IN U

YES

GOD BELIEVES IN U

Son,

I need U 2 keep goin. I'm there - the Audience of ONE cheerin U on as U wrestle with the Angel. Don't let go till 'he' blesses U. Meanwhile I LOVE how U took time 2 "war in prayer."

On another note - stop seein what U lookin at! U don't have the slightest idea how this time in prison will end. U have no idea of the blessings I have in store 4 U...U have no idea of the people I have lined up 4 U 2 meet...U have no idea how I will use U right there in that place... U have no idea the deliverance I have ordained 4 U 2 experience - in that place. U have no idea how I will show U My glory & LOVE 4 U, in that place. U have no idea the miracles I can perform in that place, in U & through U. U have no idea the joy & the peace that I can bestow upon U even in prison. I can make Ur "years" feel like "days" :) 2nd peter 3:8 U have no idea the prayers I can answer 4 U right where U at. I know the end from the beginning - please STOP tryin 2 write Ur own story & let Me write it 4 U :) TRUST ME - JUST ME.

Son,

How do U know IF I will even have U do all that time?

Exactly.

"Eye has not seen nor ear heard, nor entered into the hearts of men, the things (blessings) the Lord has in store 4 those who LOVE HIM." 1st Corinthians 2:9 Ephesians 3:20

In the meantime, worry about being "branded" as God's Son. Amen. Seek 2 please Me & Me only. Then watch what I do. Focus on loving Me. Stop lookin 2 get even with those who hurt U. Keep in mind - U have hurt others!! Vengeance is Mine's I will repay. Focus on My blessin U & stop wishin curses on others. I send rain on the just & the unjust. I AM GOD. Remember.

Though the devil molested U & ur heart at a young age I will redeem & restore Ur righteous sexuality. TRUST ME Nothin is 2 hard 4 Me. LET Me fix what's broken - in U & about U. Amen. 4give Ur attackers - please. So I can 4give U. 4give those with knowledge of the crime. Pray I'll move their hearts 2 apologize 2 U & or explain how the fear of men led them 2 turn a deaf ear & eye 2 Ur crys 4 "help".

Ur trustin Me will materialize from the letter U wrote Me from Ur heart & soul. Ur trustin Me will materialize as U ALLOW ME 2 prove Myself trustworthy. Just like U allowed others 2 prove themselves - UNtrustworthy. Take some time 2 B STILL & JUST

listen 2 Me talk 2 U about things, 4 once. 4 Once can I have Ur listenin ear? Pleasee. So often I've given U mine then when I try 2 lovingly respond U drown Me out with cuss words, anger, sex, drugs, buysness, music, TV etc. Come let US reason together. Please. 4 Ur soul's sake...

Thank U.

I understand Ur frustration at those who call themselves My "servants" but again not every one who says "Lord, Lord" shall enter My kningdom. By their fruits U sahal know them. LOVE is the supreme fruit.

I know U have a problem with Me & often question My judgment & way of doing things. I apologize 4 the times U feel I've let U down. Do U think U can find it in Ur heart of hearts 2 4give ME. 4 the times U feel I failed Ur expectations of ME?

Now, can U also ALLOW Me 2 B who I AM, as opposed 2 who U want Me 2 B?

Can U attempt 2 accept Me 4 WHO I AM? Yes, I want 2 B accepted 4 who I AM - just like U all. Does that amke sense? As God don't I get 2 define "good" & "My time"? Ecclesiastes 3:11

U may not believe U R special & precious 2 Me but IF U allow Me the priveleged opportunity I WILL show U that I love & care 4 U deeply. Can U 4 a moment stop yellin at Me 4 failin 2 meet Ur preconceived notions of how & when My LOVE was spose 2 arrive & save U? I SAVED U at the cross when My SON died 4 U. I showed U My LOVE in the fact that while U didn't want nothin 2 do with Me I was busy savin U 4 the long run:eternity. Romans 5:8 My LOVE is displayed way back in Genesis. I made U on the 6th day. That's AFTER I made everythin U needed 2 survive life on earth. Think about it! U were born with a heavenly silver spoon in Ur mouth. Even while Ur in prison I continue 2 meet Ur NEEDS. But sometimes U all get caught & wrapped up in gettin Ur WANTS met. Relax & LET Me LOVE U how U deserve 2 B loved; how U need 2 B loved. Amen. (Isaiah 55:8-13)

I know all these things have sucked the LIFE & HOPE outta U since U were born, but 2 that I say - COME B BORN AGAIN :) LET Me B Ur heavenly Father. LET Me parent U. How can I parent U when U don't trust My judgment? How can I parent U, when U don't trust My advice? How can I parent U, when U insist on runnin away? PLEASE COME HOME. & LET Me take care of U. This is childlike FAITH :) LET Me provide food, shelter & clothing 4 U. LET Me cook U breakfast, lunch, & dinner!!! LET Me read U a bedtime story & tuck U in at night with a kiss on Ur 4head. LET Me sing lullabyes 2 U :) LET Me LOVE U. LET Me listen 2 U & bless U with sound advice & wonderful counsel. LET Me hold U. LET Me write U love notes of encouragement. LET Me B proud of U. LET ME pen U a poem. LET Me say, "Son, don't 4get Ur homework!" LET Me tell U how special U R 2 Me. LET Me tell U who U R & who U can B. LET Me Father Ur precious spirit. LET Me laugh with U. LET Me cry with U. LET Me fulfill My good pleasure & give U the kingdom of Heaven :) Luke 12:32 Stop tryin 2 take it. Stop tryin 2 earn it. Amen. When U LET Me play My role as Ur heavenly Father; then I will galdly do so. LET My will B done in Ur life, as opposed 2 fightin Me tooth & nail 4 Ur will 2 B done. that's what it means 2 trust Me. LET Me show U that there is no condemnation 2 them that R in Christ Jesus. LET Me show U that it is I alone that justifys U.

If I B 4 U - who can B against U?

Son,

Will U LET Me B 4 U?

Those who wait on Me shall not B ashamed.

Son,

ALLOW URSELF 2 B LOVED BY ME...

Respectfully,

Son,

I AM better than Ur parents & those whom U trusted but did U wrong. Spend time in My word - it contains timeless truths. Through My servant Isaiah I penned this eye opening question - "Can a woman 4get her suckling child, that she should not have compassion on the very Son she gave birth 2?"

The answer.

Yes.

But keep readin - there's Hope around the corner

"Yes, though Ur birth mother may 4get U, Yet I -GOD - Ur Heavenly Father WILL NOT EVER 4get U."

Did U know that I have Ur name tattooed on the very palms of My hands. thoughts of U are continually B4 Me. Promise.

My Son,

U R NOT worthless & discarded

The devil is a liar

Stop believing his lies

(2 u & about U)

COME HOME

believe My TRUTHS

the

let the TRUTH SET U FREE.

FREER THAN U EVER BEEN :)

My beloved Son,

U R GOOD 4 SOMETHING

take time 2 let that truth set in

U R GOOD 4 SOMETHIN

THE TRUTH WILL SET U FREE. AMEN

Yes, the TRUTH (from God) will set U free

free from believing lies (from satan)

Do the math! then B FREE. FREE AS A BIRD

Ur past shall not keep U bound & shackled. B loosed & let go. 4 Ur heavenly father has need of U. Look at Joseph he went through some things but I crafted him into a man of character & substance, especially during his time in prison.

Son,

I can use this wilderness time 2 shape & mold Ur heart 2 teach U about Jesus while inspiring U 2 B like Him. He was 4giving :) even when his own family & friends doubted Him & pretty much called Him "crazy" Mark 3:21 John 7:2-5 I can use this time 2 birth U again & show U-

U R NORMAL

2 show U that I AM the comforter who will not leave U comfortless. It was easy 4 men/women 2 leave U hangin because "no man cares 4 Ur soul" ONLY GOD DOES Psalm 142:4 I have ALWAYS been there 2 comfort U. Think of all those servants I sent 2 tell U bout Jesus, that was My LOVE & loving attempts 2 comfort & console U Amen.

Son,

U R called
 U were called B4 I birthed U in Ur mother's womb.
 I AM presently showing U LOVE.MERCY.4GIVENESS.GRACEetc.
 Don't worry I AM in the process of "helping Ur UNbelief.
 Far as Ur doubts - they will be eradicated as U LET Me B GOD
 & as U determine 2 "worship Me in Spirit & in Truth
 (Jeremiah 18:1-6 John 4:24)
 As U draw closer 2 Me doubts will B erased
 As U experience mMy love 1st hand Ur whole perspective will
 change. Amen. As U dig diligently into My word Ur faith will
 greatly increase. FAITH COMES BY HEARING & HEARING BY THE
 WORD OF GOD. So B it.
 Read Ur Bible don't 4get 2 pray 1st! 4 understandin &
 SPIRITUAL enlightenment & 2 know Me as I AM. Amen. Pray 4
 words of encouragement & 2 see My LOVE in the 66 books I
 wrote just 4 U (& in this letter). See the time & effort I
 have put in 2 reach U - 4 LOVE'S sake. See the lonely nights
 I sat under porch lights lovingly awaiting Ur return. Amen.
 See My heart 4 U. Nobody dies 4 somebody they hate. feel Me?
 Pray & ask 2 hear My voice & 2 see that My truths R
 eternally true & better than the devil's lies. Search 4
 Urself Ur in the Bible :). Amen.

Son,

Thank U 4 confiding in Me & tellin Me how U really feel
 (though I knew it already). Now that U've gotten UUr anger 4 Me &
 at Me off Ur chest OUR relationship can righteously move 4ward.
 Now U can B REexcited about getin 2 know Me,as opposed 2 goin
 through the motions of goin 2 church etc. Oh yeah,I also will
 Need U 2 put into practice that which U read in My Holy Word.
 James 1:22-25. Amen.

yes Son,

As U obey,U will truly see that I AM WHO I SAY I AM.

Good night & God Bless
 I look 4ward 2 Ur response

Love U always

Ur heavenly father

P.S. Pray 2 KNOW & BELIEVE THE LOVE I HAVE 4 U
 Pray 4 Me 2 bless U with SPIRITUAL PARENTS
 AAmen.
