I'll start my life over
 I'll be different more
 in more ways
 I'll play more
 I'll laugh more
 I'll feel more
 I'll do for other more
 I'll forgive myself more
 I'll practice relaxation ~~more~~ more
 I'll listen more
 I'll smell the flowers more
 I'll enjoy the salt air more
 I'll love you more

You're Perfect
 nobody's perfect
 just look at me
 but when you
 think about it
 neither are you
 who wants to be
 understand my love
 that we imperfect
 as we are

I love you
 perfectly  6-17-15
