Notes - Rambling - Poems - Short Stories - Art

"Don't be afraid to be the one who loves the most"

We happen to life, life does not happen to us.

[nuclear-suggo] wise, compassionate, tolerant

Following your heart is the best way to help others.

I would like to hear from my sister - maybe your new phone number - I wish Ted would answer his phone.

Memoires are like pocket change every boy needs some.

Ethel was my Grandmother's name, my mother's middle name.

We've been friends & lovers longer than my father lived.

We are all indispensable elements of nature; Lewis Thomas

The best sound in the world is a big laugh, not some little chucking, but a big belly laugh until you can't breathe, tears coming down your face, gut grabbing until you lose a little pee. God I miss the sound of your laughter.

The moon is bugging the hell out of me right now, who wants to sit under the moon alone?

The loneliest place in the world is the human heart when love is absent; Anonymous,

Art and Poetry and companionship and solitude.

I read somewhere that we're of the assumption

that whoever we're talking to is actually an intelligent person. That's Bull! I haven't talked

to an intelligent person in well over a year. ☹️

What's up baby sis? Haven't heard from you in months.

There are two types of bars, the one I just missed and the one that never comes.

Singing can reduce stress hormones and boost Oxytocin, the "love hormone" that promotes feelings of trust and bonding. Sing a little song with me.

I feel like a character from a different time!

I'm never alone, you are always with me, in everything I do: every drawing, every painting, every poem.

@CAPRISONART or CAPRISONART@OUTLOOK.COM or WWW.EBAY.COM/USA CAPRISONART
Caprison Art has said they put some of my Art work on their site to sell
Would someone please let me know how it looks? if its there? I'm
not sure which one of these is the site - all of them or none :)
