Dear ghost,

Thank you for your kind comments. I will continue to write poetry as it affords me a bit of peace in a not so peaceful environment.

My friends and I in here who are working on some prison reform issues could use some help on reasearching topics. If you could lend a hand please let me know. I can assure you that it would not be too labor intensive.

I will leave you with a short poem;

Bright moon outside my window,
framed in bars and concrete.
Shines on the night I truly miss,
and lights up deep curiosity.

What are they doing under the beams?
Do they dance on soft grass?
Will they embrace in the dunes?
Can they sleep until the dawn?

Bright moon outside my window,
framed by my dreams of life.
Shines on a world I miss,
and lights up my lonely hopes.
