Susan,

I am sorry for what I've said to you, O.K.,. I did speak to someone (as you've suggested); and that someone advised me on this, O.K.,.

Since you are strong in the Faith, I advise that you have your minister send for the address.

Susan, please tell me how Lexie is doing: what is her favorite color?

I have seen her grades, in 2011; is she keeping-up the good grades. She does remind me of my brother Ralph.

You spoke of Lexie's kindness, and goodness, and beauty. Do you have videos of her, when she was younger?

Susan, when your minister write, will you allow him/her to send some photos of Alexia? How tall exactly is Alexia now?

Do tell Alexia that she has an uncle who is in the field of Medicine too! And she has at least two aunts in that same field too.

Tell her she has alot of cousins scattered in the United States.

Susan, I do want her to know my side of the family too.

Susan, I gave this alot of thoughts, and I believe you trust your Minister to do this for both of us (Alexia and I)

God bless and keep you both,

Childeric.
