

THE SOURCE

He was the living source,
first fruit from the last;
and demons cannot cross,
the sacrifice of the cross.

He is crowned their King,
Redeemer from their sins.
The Alternate Power of Earth's reigns;
severed them from hell-fire's rain.

Everlastingly, He became Father;
and of spirits thither.
raised from a mother,
Just like the rest of His brothers.

He is Advocate,
and great Potentate;
who came not a generation late;
only to make a return to his new Earth.

He did made the Sun;
He, the righteous Son.
His disciples were stunned,
at the Calvary's stone.
