Hi Pinky I need to thank you first and foremost for getting at me on my blog. Yes this letter does find me as well as can be. I really like the name Pinky. I love the punk rock look with the pink hair piercings etc its a good look in my opinion. Before I answer my posts from you I need to tell you a bit about my last cellie. He was my cellie for 5 years Pinky. Hes my bro family & life. We are both lifers. He will get a big kick out of you. The 2 of you will have alot in common. Hes a old school punk rocker. Im going to give you his blog. # We got our blogs on the same day Cool Hum. Blogs/1347/. Hes a great artist look at his site and leave him a comment for me tell him I said check out Pinky shes our new friend. Thanks Pinky I appreciate it. Check out what his name is Scot Pinkerton. OK back to my new friend Pinky. I think were going to get along good. Wisconsin Hum its cold there Pinky. I love Hankys use to drink Miller when its ice cold. Dahmer that was a crazy bastard. That is so badass that you came about this site by accident. For some reason you fell upon me and thats a good thing. Damn your friend has been down a long ass time. Since 75 thats 40 years Pinky. I have 22 in. I take it a dia is a parole denial. I havent been to the BPT (Board of Prison Terms) yet but if this new bill called Elderly Parole passes I'll be eligible for parole in 2020. You have to be 50 yrs old with 15 years in. Im 45 with 22 yrs in. I will have many many years in at my 1st BPT hearing. Im not sure who this group FFUP is but I like them. CA ^{has} COMPASSIONATE release I believe but its for old dudes on their death beds. And the state still gives denials when their family's file. CA, is the worst in the state of the union. Look how many many
