Dear vrg6,

Sitting here bored and thought I'd try again to catch your interest and hope you'd respond. I must admit that your original comment of "R U ever getting out", put me to thinking. Was it asked in a good way or with anger or distance?

I guess that is my reasoning for wanting to explain my situation and even what got me here in the first place. I'd like the chance to reassure you that I'm not that person I'd mentioned that the public believe we are all in here. As the old saying goes;

2 of 2

"I'm not the highest bulb on the  
ole tree but lifes experiences has  
taught me alot. Oh so its not  
an "ole saying" but I'm sure you  
get the gist of what I'm saying.

So regardless of the underlying  
thoughts of your comments, respond  
I believe you'll be pleasantly  
surprised, one way or the other.

P.S. Have you ever heard  
of "JOINT VENTURE"?

Best Well &  
Kind to One Another  
Out There . . . . .

Very Truly yours
