

# 'THE REAL DEAL'

To: you, anyone, the world - I cry out  
for thoughts, feelings, emotions, words  
anything that'll make my dull world spin!  
As I sit in this four (4) corner cell  
feeling this man-made hell, I know God  
and He hasn't rung the final bell!  
So my fellow man/woman, how could you ignore  
this hard of man reaching between the  
bars out to you to grasp yours to hold on  
too??

Don't wait or someone else to reach  
into - this is something you can do!  
Be a friend to someone locked with-in,  
this isn't a sin!

Reach in for a brand new friend!  
Between the Bars and I'll be your Blessed  
star! Smile

Matt. 25:36 "I was in prison,  
and ye came unto me."

Sincerely yours,  
Bathes
