just a note to say hi and see how you + yours are doing. As for me I'm doing alright. Been down since I was downed 10 years, that's a long time for someone of my advanced years (68). Will I ever be alive in 10 years? Will there ever be a reason for me to want to get out in 10 years.

I didn't think it would bother me wile I was denied 10 years since I was never getting out anyway. But it bothers me, put me in a state of depression. We all need hopes and dreams, someone to love, someone to love us.

My love where are you? - with no hope of reaching you I write to you: as I have always, as I always will. Cold Mountain

How can I truly explain who you are to me, you are my fixed star, my lighthouse in the cold and dark world. Here's a pretty horrible picture: a sick, angry, demented old person that no one wants to care for! I hope this isn't one of us.

Those who speak too much are criticized, those who speak too little are criticized, those who don't speak at all are criticized. Everyone in the world is criticized: May the gentle winds of loving kindness gently touch ^{my} your heart.

Here's a flevible: An expression used to describe a member of the Legislature who is selling out to the highest ~~bidder~~ bidder. "Be kind, for everyone you meet is fighting a battle you know nothing about" Plato.

I saw this picture of these birds the other day and thought how much Aunt Alice would love them so I painted them for her. You'll love them to they're with your painting. (2)

Someone told me to embrace life like I would my own beautiful Jeannie, even if I don't get anywhere I will enjoy the day. (3)
