

domestic united states of america, social justice related demographics, wing, chapters, branches, are feeding in to western, israel, russia, china, intelligence networks, that are collecting open source & in some cases closed source information, to go through this information looking for information that is useful for themselves, collecting & going through information looking for useful information, are basic intelligence network functions, social justice related demographics, wings, chapters, branches, potential intelligence network strength, is the misinformation campaign, which are dual purpose, both misinformation & information based, a structure that will facilitate this is, a social revolutionary justice coalition, coalition contributors are

revolutionary progressive
networks, coalition
members are revolutionary
workers fronts, & social
revolutionary parties, this is
solidarity with social
justice related
demographics, wings, chapters,
branches, struggles, &
cultural, class, & political
conflicts, in so far as it is
humanly possible for me to i will help
to organize & coordinate this
direct action campaign, under the
title, cyber sabotage babylon, write
to me at, robert thrower #47717
