

## ME PART 2 OF 4 (FAMILY, FRIENDS & EX'S) Pg. 1.

July 28, 2015

A lot has been said about how I feel about my family, friends and former girlfriends. Most of the things that has been said, have been misconstrued or simply untrue. So I will take this time to clear up a few things.

First and foremost I do not hate anyone! Hatred has no place in my heart. Several people have told me they heard I hated them. Simply untrue! My heart is to loving to hate. "I am a true cancer!" I care about people too deeply to hate anyone. So please dismiss these false rumors.

My incarceration has disconnected me from so many of you. Your departures from my life has hurt me deeply... Loyalty has always been important to me. So honestly, I was disappointed in some of you! However, as I have grown older, I understand none of you have an obligation to me. which is a harsh reality to face, considering I love some of you deeply. Unfortunately, I must accept my incarceration is a reality I created! Many of you tried to pull me away from the street life, but I did not listen. So now, I must deal with the consequences of my

of my choices. Your departures from my life is one of those consequences! If I had listened, I would not be in this situation.

I understand many of you have moved on with your lives. I wish you all the very best! I hope your well, happy and living your life to the fullest.

I hope this explains and proves to all of you, that I am not upset with any of you.

with that said, my love is extended to all of you. I would love to hear from all of you. Write me when you can. See you soon!

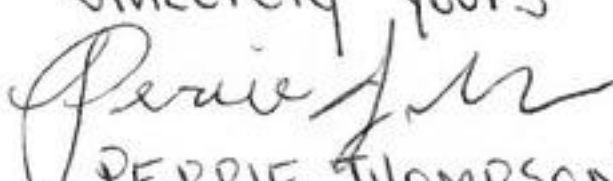

Take care of your selves!

BIG LOVE

&

HUGE RESPECTS

Stay prayed up!

Sincerely yours  
  
PERRIE THOMPSON
