Friday May 1, 2015 5:03am I got up at 3:27 washed up made the bunk cleaned the

cell watched the news mainly trying to find out when the Miami Dolphins picked in the draft. Well I've got 2 grievance's that I need to write.

5:34am Breakfast came I ate grits and the sausage gave the biscuits away, the potatoes are so nasty that know body will take them. I filed the formal grievance trying to get the camera's here in P-Dorm with audio as well.

7:32am. Walked for 30 minutes, then I cleaned the cell bays which I haven't been doing regularly. I'm going to write the warden a request about repainting the cell's. Most of these cell's hasn't had a coat of paint since 1992. They are in serious need of paint. I'm number 7 on the law library and have Father Conrad at 1PM. Nurse still hasn't come around with meds. My back was hurting so bad earlier that I could hardly move. It does that from time to time. Well I need to do some writing.

8:16am They just tried to pull me for yard, knowing that I have a call out this morning.

4:02PM. The warden just stopped and spoke with me. For probably ten minutes. we don't agree, but like I told her, the only reason I'm not getting jumped on, is because of her. She's only going to be here 11 more months. so in 11 more months I'm in trouble. I need to put my focus back on the street, body cameras, annual polygraph better testing.
