

## UPDATE

September 2, 2015

Hello everyone! I just wanted to stop by and give everyone an update on me. First, I am doing fairly well! I know some of you may have noticed, I have not been posting lately. Well the reason for that is, "my case". Being that I do not have paid lawyers, a lot of the work on my appeal, I have to do myself. so I've had my hands full lately, but I'm back now.

Before I continue, "thank you Michelle" for writing me. It means a lot to me that you took time out your day to write me!

There is something I will like to tell everyone. There's an app you can download on your phone, that will allow you to send letters from your phone, for around a \$ 1.00 per letter. I notice a lot of my readers are in different states or countries. So if you decide to write me use the app, and I'll receive your letter in about 2-3 days, no matter your location. You can learn more about the app, and download the app at, "LETTERQUICK.COM". I would like if you write me, because I often do not receive the comments you all leave on my blog for several weeks or even months. But please continue to leave your comments on my blog and I will reply as soon as possible. However, if you want a speedy response, write me directly.

Well that's it for now, I will be adding a new post soon!

Stay prayed up!

Sincerely yours
