

If You Want to Correspond With Me - dated 15 Sept. 2015

Now you have my current address + can do so. But, there's no way around it, you'll have to purchase embossed envelopes for me so I can write you back. (See accompanying article + its attachments.)

Because I owe more than 10,000 \$ for litigation, etc., I can't buy anything. But anyone can go to www.WIINMATEPACKAGE.COM or call 1-855-247-6093 + order me item #6515386 for 3.35\$, a 5-pack of embossed envelopes (six packs @ a time, max). So far only one reader, about two years ago, ordered me 10 envelopes + 50 sheets of paper.

Many have left comments here saying they wanted to write, some even wrote me, once. One even claimed me as her "kept man," if I shared her beliefs, which ain't happening. Any humane person, regardless of beliefs, orientation or race, etc. is welcome to correspond - but ya gotta buy the envelopes for me to reply.

Hell, if I can't find someone who'll buy me stamped envelopes, I won't be able to post articles on this blog! Someone please help. (I arrived here with 6 stamped #10 envelopes + 2 manilla envelopes with 3\$ in postage on them, intending to use the large envelopes to mail my autobio + a novel on this blog in a last ditch effort to attract a book publisher, sell the rights + pay my bills - anyone who helps with this will earn 25%)

You can't mail me stamped envelopes - they'll deny them + I won't even be able to mail them back. As they put our I.D.# in red ink on the backs of envelopes, I can't hustle 'em up from other prisoners.

Be my guest + protest this to the warden here - gary.boughton@wisconsin.gov - or the WI DOC secretary, Ed. Wall. The warden's acted decent, but he must follow Wall's policies + regulations

Oh, if you want to talk on the phone, get a local # from google voice + set up an account with <https://securustech.net/> (ph. 1-800-844-6591)

Thanks for your help. Nate
