Bonjour ma cherie, et comment vas tu?

Your letter of September 29th just graced my doorstep, and I'll soon have one on its merry way over the Atlantic for your viewing pleasure. Hope that it brings as many smiles to your face as yours did to mine.

I've yet to receive any of the five postings you spoke of, and I'll keep an eye posted for their arrival. If they're being held up, we'll soon discover by whom, and we'll deal with it at that time. In the meanwhile, please keep them coming as scheduled.

Mon pere sends greetings, and Too Tall sends a friendly parrot paw.

You are the brightest star on the darkest evening.

xxxGeorge
