

TIM

dreams

of my brother  
no longer limping  
through life

dancing

at the Golden Gate  
all the pain gone  
from his heart  
mama + daddy

mama

as young + beautiful  
as my memories of  
when we were kids  
on Herber Road

daddy

smiling again  
like he did

when he looked  
at one of us kids

my heart

still misses you
