

11346/ ((MY Friend Died in PRISON Today))

Another good white man PASSES AWAY this year. He is the 2nd person who became my friend here this year and passed away. my friend VERN GIBSON PASSED AWAY ON MARCH 13<sup>th</sup> 2015 AND NOW my Buddy "mouse" ~~is~~ JAMES WILLOTT dies ON 10/11/15.

They both were very very good to me. I will miss them both forever. I TRULY had bonds with both of them. Both of my friends had MAJOR Liver Problems. They both had been sick with a bad liver, the large stomachs the yellow skin.

HEP-C kills the liver in the end if you don't get either another liver or "the CURE" HARVONI. Both Vern and mouse was allowed the CURE but it was too late. Although the STATE has the CURE and when you're very sick they give it to you but it's always too late by then VERN and mouse ARE PROOF OF THAT.

HARVONI the HEP-C CURE is so costly you have to basically be on death's door before the doctors approve the meds for you. 11 hundred or more dollars a pill. "See how PRISON works"

((WE LOST A good ONE Today))

ITS SO HARD ON MY HEART AND SOUL TO WATCH ~~AT~~  
2 OF MY FRIENDS DIE IN PRISON DUE TO BEING  
SICK. THEY BOTH DIED AT A HOSPITAL ON THE STREETS.  
I WILL HONOR THEIR MEMORY IN MY OWN WAY. THE  
STAFF CAME AND TOLD ME THAT MOUSE PASSED AWAY  
1 HR AGO.

YESTERDAY AT 3PM HE WENT MAN DOWN. HE WAS  
SO WEAK HE COULDN'T EVEN SIT UP. STAFF CALLED  
HIS MAN DOWN A CODE 3. THEY TOOK HIM TO THE  
HOSPITAL RIGHT THEN.

I ALSO WANT TO SAY THAT I HAVE HEP-C, I GOT  
A LITTLE BIT OF SCAR TISSUE ON MY LIVER. "THE CURE"  
JUST CAME OUT THIS YEAR. THE DOCTORS SAID I'M  
NOT A CANDIDATE FOR THE CURE YET BECAUSE I'M  
NOT SICK ENOUGH.

I WILL WRITE A APPLIC ON THIS AND DEMAND  
FOR THE STATE TO GIVE ME THE CURE NOW. I DON'T  
WANT TO DIE IN PAIN IN PRISON BECAUSE THESE ASS-  
HOLE'S WON'T ALLOW ME THE CURE DUE TO ITS WAY  
TOO COSTLY. THEY WANT TO WAIT UNTIL I'M AS BAD OFF  
AS MY 2 FRIENDS THEN GIVE IT TO ME. CURE ME.  
THEN BUT THEN MY LIVER WILL BE SHOT BUT THE  
VIRUS WILL BE DEAD.

I NEED A ATTORNEY TO GET ME OUT  
BEFORE I PASS ON LIKE MY GOOD FRIENDS.

I don't EVEN KNOW why I'm writing this right now. my friend died a hour ago and I'm posting this info on my Blog. mouse will never be forgotten.

ALTHOUGH VACAVILLE is a good place to do time its the medical facility and people are sent here when they are sick.

The program here is at a stand still because staff is rolling up mouse's property. I told staff to allow me some time to get enough \$ to send mouse's property to his family. staff said the Lt said that the state is paying that cost.

Anything in mouse cell that is not on his property card will be donated, kept, disposed of by staff. The whole situation is sick.

I can't bare to write another pg. I'll end this post with this.

MAY THE GODS THAT mouse BELIEVED IN TAKE HIM TO HIS FINAL RESTING PLACE  
I LOVE YOU MY BROTHER mouse you will be missed

RESPECTFULLY DONNIE TINSLEY
