Dear Michelle.68,

Please know that you are a sister in the struggle. I also have been addicted to methadone and heroin; a very tough road but not an insurmountable tragedy. We can survive these challenges but we must have support; I know this first hand. I am a "Twelve Steps" guy and find God in AA/NA. You may want to explore that option. Here are some places that may be able to offer you help;

Lord, help me to realize that nothing will happen to me today that You and I cannot work out together. I make this prayer in Jesus' name.

I would love to hear from you and please let me know what I can do to help out? Take care. I am,
