Dear Michelle.68,

Thank you for your kind comments about my poems. It pleases me that you enjoy them. I would love to hear more commentary on them? Please leave a message here or contact me directly at my address which appears below.

My life of foolish choices and sad addiction taught me many lessons which make their way into my writing. Hard earned wisdom, sometimes based on loss and misery, can be the most beneficial to move forward in this life. Know that you can find the answers, sometimes they reside within, and that our God wants you close.

I do hope to hear from you very soon. I am,

Sincerely Yours,

it is in our making,
but we can rise and bloom,
it is ours for the taking."
