

Dear Paige,

I remember that painting. I did 3 of them from a magazine photo. But I'm not so remarkable. I'm 58 yrs old. I'm on psych meds. I'm convicted of murder and arson. Yesterday I was a drop of dirty fluid; Today I'm a bag containing excrement. Tomorrow I'll be a rotting corpse. I'm just trying to clean it all up before death comes for me.

Yeah I could use a visit. Especially if you'd buy me an ice cream from the machine - it's been a few years since I had one.

If you have trouble reaching me at my address:
