This is the 2nd time I've attempted to post a reply. I remember the painting of the teddy bears. I did three of them from a magazine photo. I'm 58. I'm on psych meds. Yesterday I was a drop of dirty fluid. Today I'm a bag containing excrement. Tomorrow I'll be a rotting corpse. If you wanna visit please bring a few \$ for the vending machines. I haven't had an ice cream in a few years.

I have a HUGE problem with the prison mail officer stealing my mail. If you have trouble reaching me at my address: James Riva W38533; OCCC; One Administration Rd. Bridgewater, MA 02324 — be aware I have a federal lawsuit against the mail officer, and you can write a complaint to the judge in charge of the case: Judge F. Dennis Saylor IV Case # 1:14-cv-13048-FDS, United States District Court One Courthouse Way Suite 2300 Boston, MA 02210.

The mail officer's name is Paul Brasseur. Sometimes he tries to strike up a correspondence with my pen friends that he blocks me from. Strange I know. You can't make this stuff up unfortunately it's true.

J. Riva
