

MY NEW PICTURES

September 19, 2015

Hello everyone. Here's the new Pictures I just took. I hope you all enjoy them!

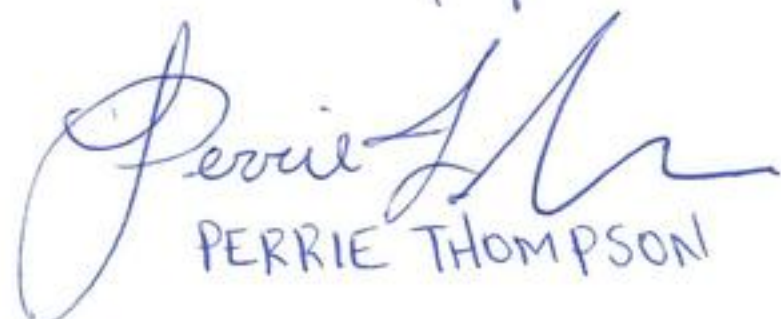

These pictures are not my favorites, I must admit. I look really mean, which is not me. But being honest, I was very upset the day I took the photos, I guess it shows. But lets remember, "I am in prison." Everyday is not a good day in prison! Somedays are just bad days, it's the reality of being in prison!

I started not to post these pictures, but I promised to always be authentic on my blog. So here's how I look on a bad day in prison. But please know I am a very happy person most days! 😊

I hope me being authentic all the time, demonstrates my true character! GOD BLESS!

stay prayed up!

sincerely yours
